Brand New Book ***** Print on Demand *****.Have you ever been out on the town and witness men and women behaving badly? I m talking dancing on bars when no music is playing, rolling around in mud during a park symphony, or making out with the local homeless man on the corner. Instinctively alcohol is the root cause of these actions. But what if something else was behind moments of intoxicating courage and bad decisions? Hot Mess Fairies explores the unknown and plots a hypothesis to this theory that it s not just those bubbly beverages that wickedly erupts individuals inhibitions. The book discovers magical beings behind the scenes that sets the stage to these shameful stunts for their pure entertainment. Hot Mess Fairies will have you in hysterics, a little scared and a mind manipulation of could this be true. This is an intoxicated adult only book. It s fun, informative and a page turner. Something everyone should check out.
