RUSSIAN HAJJ: EMPIRE AND THE PILGRIMAGE TO MECCA (HARDBACK)

[DOWNLOAD](#)

Cornell University Press, United States, 2015. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. In the late nineteenth century, as a consequence of imperial conquest and a mobility revolution, Russia became a crossroads of the hajj, the annual Muslim pilgrimage to Mecca. The first book in any language on the hajj under tsarist and Soviet rule, *Russian Hajj* tells the story of how tsarist officials struggled to control and co-opt Russia's mass hajj traffic, seeing it not only as a liability, but also an opportunity. To support the hajj as a matter of state surveillance and control was controversial, given the preeminent position of the Orthodox Church. But nor could the hajj be ignored, or banned, due to Russia's policy of toleration of Islam. As a cross-border, migratory phenomenon, the hajj stoked officials' fears of infectious disease, Islamic revolt, and interethnic conflict, but Kane innovatively argues that it also generated new thinking within the government about the utility of the empire's Muslims and their global networks. *Russian Hajj* reveals for the first time Russia's sprawling international hajj infrastructure, complete with lodging houses, consulates, Hejaz steamships, and direct rail service. In a story meticulously reconstructed from scattered fragments, ranging from archival documents and hajj memoirs to Turkic-language newspapers, Kane argues that Russia built its hajj infrastructure not simply to control and limit the pilgrimage, as previous scholars have argued, but to channel it to benefit the state and empire. Russian patronage of the hajj was also about capitalizing on human mobility to capture new revenues for the state and its transport companies and laying claim to Islamic networks to justify Russian expansion.
