Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The first thing you need to get your head around is that investing and trading is not a get rich quick money scheme. This book is made to help solve the problem of not losing money in the markets from lack of knowledge so the content value is high. For the price you paid for this book, which is about the cost of trading one contract of crude oil or gold including all the fees, the quality of the information is priceless in that it can save you money in losses in your investing and trading and time in learning if you just pay attention to what it says in here. You have to crawl before you can stand up. Be able to balance before you can walk, and walk before you can run. Same can be said for investing and trading in the live markets. You have to do the time if you want to learn how to drive the money train!! New retail investors and traders coming into the business have a large amount of...
