Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Christian Race: A Course of Twenty-Four Lessons for Students Bible Classes At the request of the International Committee, different parts of this Bible study course were arranged and tested. Twenty classes of students of varying ages and fifteen different teachers were engaged in these laboratory tests. Changes were made as experience suggested, and the revised courses tried. It is now put into print with the expectation that it will prove a suggestive course, opening new lines of thought and provoking such an abundance of constructive criticism as to make an early revision necessary. The course was designed primarily for high and preparatory school students. It may prove to be especially adapted to the use of those college students who are planning to teach younger students either during their college course or after graduation.
