Voting Deliberatively: FDR and the 1936 Presidential Campaign (Hardback)

By Professor of Communication and Political Science Mary E Stuckey

Penn State University Press, United States, 2015. Hardback. Book Condition: New. 236 x 157 mm. Language: English . Brand New Book. The 1932 election of Franklin Delano Roosevelt seemed to hold the promise of Democratic domination for years to come. However, leading up to the 1936 election, persistent economic problems, a controversial domestic agenda, and the perception of a weak foreign policy were chipping away at public support. The president faced unrelenting criticism from both the Left and the Right, and it seemed unlikely that he would cruise to the same clear victory he enjoyed in 1932. But 1936 was yet another landslide win for FDR, which makes it easy to forget just how contested the campaign was. In *Voting Deliberatively*, Mary Stuckey examines little-discussed components of FDR's 1936 campaign that aided his victory. She reveals four elements of this reelection campaign that have not received adequate attention: the creation of public opinion, the attention paid to local organizations, the focus on specific kinds of interests, and the public rhetoric that tied it all together. Previous studies of the 1936 presidential election discuss elements such as FDR's vulnerability before the campaign and the weakness of Republican candidate Alf...
