

## Feeling Italian: The Art of Ethnicity in America

---

By Thomas J. Ferraro

New York University Press. Paperback. Book Condition: new. BRAND NEW, Feeling Italian: The Art of Ethnicity in America, Thomas J. Ferraro, This book is the winner of 2006 American Book Award, presented by the Before Columbus Foundation. 'Ferraro maintains a breezy, journalistic style that has produced an easy and entertaining read. His work may give hope to people of other ethnicities who presently suffer from isolation and alienation on the part of the general American public' - "Multicultural Review". 'Ferraro traces the 'evolution and persistence' of an identifiable Italian American identity, from the time of widespread Italian immigration in the late 1800s through popular mediated portrayals of Italian Americans such as those found in "The Sopranos" television series. The book is an important contribution not only to Italian American studies, but to the understanding of ethnicity in the 21st-century US' - "Choice". "'Feeling Italian" is a smart book, one that makes the reader think beyond the usual ways of looking at what's Italian about the US' - "American Book Review". 'This inspired, sophisticated, provoking book should command the attention of anybody interested in American Italianness in particular or the cultural consequences of ethnicity in general. Joseph Stella and Frank Sinatra,...

### Reviews

*This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.*
