

How We Got Here: A Slightly Irreverent History of Technology and Markets

By Andy Kessler

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, How We Got Here: A Slightly Irreverent History of Technology and Markets, Andy Kessler, Best-selling author Andy Kessler ties up the loose ends from his provocative book, *Running Money*, with this history of breakthrough technology and the markets that funded them. Expanding on themes first raised in his tour de force, *Running Money*, Andy Kessler unpacks the entire history of Silicon Valley and Wall Street, from the Industrial Revolution to computers, communications, money, gold and stock markets. These stories cut (by an unscrupulous editor) from the original manuscript were intended as a primer on the ways in which new technologies develop from unprofitable curiosities to essential investments. Indeed, *How We Got Here* is the book Kessler wishes someone had handed him on his first day as a freshman engineering student at Cornell or on the day he started on Wall Street. This book connects the dots through history to how we got to where we are today.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
