Are you tired of not having any friend and being lonely all the time staying in with nothing to do and feel left out, jealous and envious to why you can't have that same thing other people have. Called friends ? Making friends should be a breeze in the park, right ? Wrong! It's not, unless you guys have been friends since the beginning of preschool and have been inseparable throughout school years. As an adult, it's harder to make friends, let alone keep them, or perhaps all your former friends drifted apart. Many of us are obsessed with work or occupied with family. Simply put, don't have the time for friends, yet have the need for friends. We can't stay away for long without needing human contacts, whether that is a friend or family member. Eventually that feeling of loneliness will creep in causing depression, lack of purpose, and even mental sickness affecting our physical well-being. Everybody needs friends to survive and be happy! We all want friends, whether we admit it or not, or think we're ok with being alone. It's a basic human need. Within NO-Series NO Friends? : The Friendship Factor. The unspoken truth about what makes a friendship nobody else is willing to tell you, saving you a lot of headaches and disappointments. Why you don't have friends? Why some people never lack friends, and what they have that you don't? And what you can you do now to instantly have more friends? How to make friends? What is the best place to meet friends offline and online...
