BRINGING AVALON BACK

Virtualbookworm.com Publishing, United States, 2012. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Young Sage Uberchat didn't even know she was a magician until she heard herself swear she would bring Avalon back. She swore it to none other than Morgan of the Faeries. With the help of a magic deck of cards - which could be entered by uttering the sacred word - Sage is driven by a force much greater than herself to bring Avalon back. From the Scottish Highlands to the center of Stonehenge; from castle towers to the inner realms of trees, follow Sage as she travels in and out of time and space, guided by goddesses and wizards, drawing cards within which even the air molecules are made of magic. Follow Sage as she travels along the thread which thickens as Avalon comes back. Wrought with magic spells and spider web, this is a potion of words; the gateways glimmer and the magic cards sparkle while Sage gathers the ingredients she needs to thicken the thread which runs through time itself. Walk along the thread with her and see the insides of the very tunnels she creates to make magic.
