

Forgotten Fitzgerald: Echoes of a Lost America

By F. Scott Fitzgerald, Sarah Churchwell

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, Forgotten Fitzgerald: Echoes of a Lost America, F. Scott Fitzgerald, Sarah Churchwell, While F. Scott Fitzgerald was writing the novels we remember him for today, he was also publishing short stories in popular magazines such as The Saturday Evening Post and Esquire. Although many of Fitzgerald's short stories are celebrated and anthologised today, more remain out of print than would be expected for a writer of his stature. Some of these forgotten stories deserve to be rediscovered by the many readers who love Fitzgerald's work. Sarah Churchwell, author of the acclaimed Careless People: Murder, Mayhem and the Invention of The Great Gatsby, has selected twelve forgotten stories from throughout Fitzgerald's career that refract, in different ways, his most familiar motifs: the changing meanings of America in the first decades of the twentieth century, and the desire to reconcile rich and poor through a romantic search for glamour, hope and wonder. Each of these stories offers a riff on the theme of America, a world we have lost, but can hear echoes of in Fitzgerald's characteristically rich, vivid prose.

Reviews

This written publication is wonderful. It really is loaded with knowledge and wisdom You will not really feel monotony at at any time of your time (that's what catalogues are for relating to if you ask me).

-- **Desmond Becker**

Absolutely essential go through publication. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of the time (that's what catalogues are for regarding if you ask me).
