## THE LIFE AND LOVES OF LAURIE LEE

Robson. 1 Paperback(s), 2014. soft. Book Condition: New. Millions of readers remember British poet, playwright, and broadcaster Laurie Lee (1914-97) for his lyrical portraits of his life, from the moving and nostalgic tales of childhood and innocence in *Cider with Rosie* to the nomadic wanderings through Spain retold in *As I Walked Out One Midsummer Morning*, and his dramatic experiences fighting Franco's forces in *A Moment of War*. And yet, though he wrote exclusively about his own life and his devotion to his wife and daughter, Lee never told the whole story, notes biographer Valerie Grove. Here we meet the girl who inspired him to go to Spain, and the woman who supported him there, as well as the beautiful mistress he came home to, who was the great love of his young life and who led him into literary London, bore his child, and broke his heart. Grove captures the essence of this romantic, elusive enigma, bringing him to life once more. "Laurie Lee's virtues far outweighed his faults, and it is Grove's obvious affection for her subject that makes her book so tender and graceful. A touching elegy to another age." *Mail on Sunday* (London) 500.
