Walter Foster Publishing, United States, 1996. Paperback. Book Condition: New. 257 x 224 mm. Language: English . Brand New Book. This is the one sourcebook that cartooning and animation enthusiasts have been clamoring about for years! A time-tested classic, this tried-and-true reference is often used as a textbook in cartooning workshops, and beginning and professional cartoonists alike are known to have copies of Cartoon Animation in their libraries. In this comprehensive title, famed animator Preston Blair shares his expertise on how to develop a cartoon character, create dynamic movement, and coordinate dialogue with action. Topics include character development, line of action, dialogue, timing, and, of course, animation! This valuable resource provides all the inspiration and information you need to begin drawing your own animated characters.
