Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This classroom guide to Ralph Waldo Emerson is the third in a growing series of Craig s Notes Classroom Guides for teachers of literature. The Emerson guide is a bit different from the others, however. To begin, it is the first of three unique guides devoted to the American Transcendentalists. The Emerson guide is an outgrowth of a collaboration between Candace R. Craig and James D. Reid, Associate Professor of Philosophy at the Metropolitan State University of Denver. Reid s scholarly work includes publications on Kant in world-class journals, such as *The Kantian Review* and *The Review of Metaphysics*. He is also co-editor and essay contributor for *Thoreau s Importance for Philosophy* (Fordham). His second book, *Being Here Is Glorious: On Rilke, Poetry, and Philosophy*, which includes a philosophical interpretation and fresh translation of the *Duino Elegies*, is forthcoming with Northwestern University Press (July 2015). Reid has written substantial introductions to each of the three works presented in this guide: *Nature*, *the Divinity School Address*, *Self-Reliance*. He has also contributed some of his own ideas for advanced-level essay prompts and college-level class discussion questions. The Emerson guide is thus a cohesive amalgamation of the expertise of a serious scholar and a veteran teacher of high-school English. The first section of the guide contains pre-reading activities and two substantial introductions. The subsequent three sections take a chronological approach, beginning with *Nature*, followed by *the Divinity School Address* and culminating in *Self-Reliance*. Each of these sections contains a helpful introduction (Reid), followed by a combination of classroom activities, tests, quizzes, writing activities, etc., focusing on everything from vocabulary to basic comprehension to rhetorical and literary devices to...
