Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The United States and the Czech Republic forged a close relationship during the beginning of the last century, when America pledged its support for Czech independence. Though this friendship stalled during the period of Soviet influence, it reemerged as the Czech Republic again claimed its political independence and joined the economic ranks of the European Union at the close of the 20th century. Today, this nation that sits at the heart of Europe has emerged as one of the region s most prosperous and industrialized economies. The Czech Republic s strategic location, well-developed infrastructure, and skilled labor force has allowed this small nation of 10.5 million citizens to punch above its weight and become an important regional and international manufacturing hub and consumer market. Economic growth is largely based on inflows of FDI and growth in exports. With about 80 of GDP linked to export orders, particularly to Germany, the economic health of the Czech Republic relies heavily on the strength of its neighbors. After experiencing robust growth of 6 from 2005-7, the Czech Republic felt the impact...
