First-year student Naina is utterly smitten by her senior, Michael, acknowledged genius and resident rebel of the Fine Arts College, Mumbai. So when he proposes that they drop out of college and live-in, she readily agrees. But life with Michael soon turns into an emotional rollercoaster. Temperamental, opinionated and incredibly selfish, he expects Naina to run the household so that he is free to paint. Naina tries her hand at several odd jobs, but when an accident leaves Michael blind, their life together begins to come undone as she can only helplessly watch.
