MEASURING PERFORMANCE FOR BUSINESS RESULTS

Book Condition: New. Publisher/Verlag: Springer Netherlands | Financial measures have traditionally been the cornerstone of the performance measurement system. In recent years, there has been a shift from treating financial figures as the foundation for performance measurement to treating them as one among a broader set of potential financial measures. Changes in cost structures and the manufacturing and competitive environment have been responsible for the change of emphasis. In today's worldwide competitive environment companies are competing in...
